

Glendale College where he earned his Airplane and Powerplant License, learned to fly and met Shery—whom he married in 1964. Mr. and Mrs. Loewen moved to our district in the early 1970s. In 1975, the Loewens established Lake Aero Styling and Repair, providing dozens of local men and women in our community with highly skilled jobs.

Mr. and Mrs. Loewen have sold Lake Aero Styling and Repair and are retiring after decades of developing and selling unique aircraft modifications. They are being honored by the Lake County Airmen's Association (LCAA) at Lampson Field this summer. Their products have a world-renowned reputation for quality and reliability. Thousands of Mooney Aircraft planes bear one or more of their modifications. These parts proved so successful that the manufacturer, Mooney International, later incorporated the modifications on its factory models. Additionally, Mooney Aircraft International awarded Mr. Loewen the Charles Taylor Award, which is an award given to senior mechanics who have led excellent careers.

Paul and Shery Loewen are also prominent members of our community. Mr. Loewen served as president of the Lake County Airmen's Association, and Mrs. Loewen held the role of secretary. While serving as president of the LCAA, Mr. Loewen organized and staged several successful Lampson Field Air Fairs. They have also produced several pilot-oriented travel videos entitled Flying the America's.

Mr. Speaker, Mr. and Mrs. Loewen have created their own business and have contributed to our Lakeport community as industry leaders, job creators and community volunteers. It is with great pride that I honor Paul and Shery Loewen today and extend our best wishes for an enjoyable retirement.

IN RECOGNITION OF JOEL GODDARD FOR HIS OUTSTANDING CAREER AND SERVICE WITH THE UNITED AUTO WORKERS

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, June 23, 2017

Mrs. DINGELL. Mr. Speaker, I rise today to recognize Mr. Joel Goddard for his career with the United Auto Workers and Ford Motor Company. Mr. Goddard has been an effective advocate for working Americans and labor, and his work has resulted in significant gains for our nation's autoworkers.

Mr. Goddard began his career with Ford Motor Company in 1972, when he joined the company to work at one of the company's Ohio engine plants. He then moved to Rawsonville, Michigan, where he began as a diecast diemaker. Mr. Goddard earned his first position with the UAW as an Alternate Skilled Trades Committeeman in 1985. As a result of his knowledge of the auto industry and effective advocacy on behalf of his fellow workers, Mr. Goddard moved up in the UAW and served in a variety of high-ranking positions. He was Chairman of the Local 898 UAW branch at Rawsonville and was reelected nine straight times due to his strong leadership. Additionally, Mr. Goddard served as the UAW National Negotiating Committee's Chairman from 2002 through 2015, where he represented

autoworkers in multiple high-level negotiations and won them lasting improvements in pay and benefits.

Mr. Goddard has been an advocate and leader for the UAW throughout his career, and his deep knowledge of the automotive industry and tenacity have served the workers he represented well. As a result of Mr. Goddard's 25 years of work, the Rawsonville plant continues to provide good-paying jobs to Americans and produce high quality parts for Ford Motor Company. His commitment to a fair deal for UAW workers made him one of the longest serving Plant Chairmen in UAW history, and he continued to deliver wins for the workers he represented in negotiations. Mr. Goddard's leadership and expertise will be missed as he retires from his current position, and it is my hope that the Rawsonville plant and its workers continue to build on his legacy.

Mr. Speaker, I ask my colleagues to join me in honoring Mr. Joel Goddard. His career with the UAW and Ford has helped preserve American jobs and protect our country's workers.

Friday, June 23, 2017

Ms. ESTY of Connecticut. Mr. Speaker, I rise today to honor the life and memory of Jay Agli, who tragically passed away on June 13, 2017 at the age of 17. When his sister was in danger of drowning in the Connecticut River, Jay leapt to action to save her. Jay's example as a courageous and selfless brother is an inspiration to all of us.

Jay was a native of Meriden, Connecticut and an active young person in his community. He had just finished his junior year of high school at Orville H. Platt High, where he recently joined the wrestling team. He was also an enthusiastic volunteer with local groups, helping the Meriden Housing Authority Choice Neighborhood plan activities and joining the Meriden Youth Services teen group. Those close to Jay knew him for his kind and funny nature and his ability to make others laugh and feel welcome. He had a passion for cars and shared a love of art and drawing with his sister.

Mr. Speaker, Jay Agli was a bright young member of our community whom we lost too soon.
